

# We all save money when we buy together

Reduce the cost of your heating oil by joining the Welburn and District Oil Syndicate.

## How the scheme works

I order oil on behalf of the syndicate six times a year, the minimum order quantity is 500 litres. Simply let me know how much oil you need by the order deadline and any days during the two weeks following the deadline when you can't accept delivery.

I call around for the best price, select the supplier and order on your behalf. I will let you know who will deliver, at what price and when. It is then up to you to arrange to pay them in advance of delivery. **There is no obligation on your part to buy on every occasion, or to always buy through the syndicate.**

I can accept orders from Welburn, Terrington, Bulmer and Huttons Ambo and can sometimes include other nearby villages if the oil suppliers agree.

If you have any questions about the oil syndicate or want to join please contact:
